

# 2011 Buckeye Book Fair Price List

Listed below and through page 22 are prices the Buckeye Book Fair intends to charge on November 5 for works featured by authors at the 2011 Buckeye Book Fair. Since contracts were being negotiated with individual publishers as this booklet went to press, prices and availability are subject to change.

Cash, personal checks, VISA and MasterCard will be accepted at the Buckeye Book Fair. We welcome purchases by authorized buyers for community, school, and church libraries. Librarians MUST bring a purchase order form, or written authorization on their library, school, or church stationery, to receive an additional discount off the prices listed here. The library discount is available only for the purchase of books to be placed in library, school, or church collections.

Some authors will feature hardcover (HC) selections; others will have paperback (PB) editions. A few titles will be available in both, as noted in the price list.
